C1132

The ruby is an extremely hard gemstone. The clarity and color of our ruby red is a regal addition to our palate of rich colors.

An affordable, sleek, modern surface, MIRLUX Premium Panel is available in high gloss and super matte finishes in nine on-trend colors.

MIRLUX is sustainable, easy-to-clean, durable, scratch-resistant, and manufactured in the United States with short lead times.

Order panels, edgework, and doors through a distributor near you.
