- StevensWood ¾" thick doors are available in slab and shaker style. Shaker doors have a 3" style and rail, with a ¼" thick MDF core center panel
- Available in three textures, Artika, Walnut Pittoni, and Mezzo Cherry
- TSCA Title VI compliant particle board (PB) core
- Texture and pattern matching hot air/laser edgebanding results in an encased water-resistant seamless edge
- Manufactured in the USA

*Shaker style doors under 8" tall will be a slab door
