SUPER MATTE

- soft feel
- fingerprint resistant
- even light
- refined

Warm White, Willow, and Dove Grey add to the current biophilic design trend of creamy neutrals and natural earth tones that combine well with wood patterns.

An affordable, sleek, modern surface, Mirlux Premium Panel is available in super matte finishes and high gloss in twelve on-trend colors.

Mirlux is sustainable, easy-to-clean, durable, scratch-resistant, and manufactured in the United States with short lead times.
