- **SLAB:** super matte sleek and stylish modern surface
- **SHAKER:** Classic 3" or 1" seamless shaker look in super matte simulates a painted finish that resists chipping better than painted surfaces*
- **GLASS:** Our classic 3" shaker with 1/4" thick glass center panel insert
- Easy-to-clean, durable non-porous plastic vinyl that won't stain, chip, or crack in high humidity.
- 3/4" thick doors are available in slab and shaker style. Shaker doors have a 1 or 3" seamless routed stile and rail.*
- TSCA Title VI compliant MDF core
- 1/8" radius face to side edge creates water-resistant seamless edge
- Manufactured in the USA

*3" shaker style doors less than 10" wide and 8" tall will be a slab door
